

ART Approves TREES Documents Submitted by Guyana

ARLINGTON, VA, 13 January 2023 – The Secretariat of the [Architecture for REDD+ Transactions \(ART\)](#) is pleased to announce the approval of two TREES Documents for Guyana. These documents are posted publicly on the [ART Registry](#) and include a TREES Registration Document for the 2021-2025 Crediting Period and a TREES Monitoring Report for 2021.

Stakeholder comments regarding these documents may be submitted to REDD@winrock.org. Comments received within 30 days will be forwarded to the program as well as their selected validation and verification body.

The approval of these documents indicates their completeness and the program's eligibility to move forward with independent validation and verification by an accredited verification body. Following successful validation and verification, the ART Board may approve the issuance of serialized TREES Credits to Guyana.
